PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 3rd May, 1955

SUBJECT.—Liberalisation of the licencing policy in respect of Aluminium ingots, bars, etc., falling under Serial No. 13 of Part II of the Import Trade Control Schedule.

No. 25-ITC(P.N.)/55.—It has been represented to the Government of India that established importers and actual users of Aluminium ingots, bars, etc., are experiencing difficulties in meeting the requirements of the country for rolling A.C.S.R. Conductors as the world supply position has of late become tight. It has, therefore, been decided that established importers and actual users who may have booked firm orders against licences already granted to them should be given additional licences to enable them to obtain extra supplies as and when they are on offer. Established importers and actual users requiring such goods for rolling into A.C.S.R. Conductors should, therefore, apply for additional licences giving details of firm commitments against licences already issued.

Chief Controller of Imports & Exports.
